Easter Customs

Easter egg hunt: On Easter Sunday morning in many countries around the world, children search for sweets left by the Easter Bunny.

Chocolate Eggs: These originated in France and Germany several hundred years ago, and are now popular around the world.

Easter Customs

Baskets: These are used by children to put sweets and chocolate eggs in, or to put decorated Easter eggs in. Decorating eggs is a common tradition for many people.

Cuisine/Snacks: In the United Kingdom simnel fruit cake and hot cross buns are popular at Easter. In the United States chocolate eggs and bunnies, as well as jelly beans are favourites.
