

The animals save the world

Created by: Dougeri Maria

1) Help save their planet, eat a balanced diet

"The more meat we eat, the more cows there are producing greenhouse gases."

2) Help save their planet, use only the water you need

"Perhaps it might be nicer to think of others before you use up all the water."

3) Help save their planet, use biodegradable products

"Do give a thought to where our rubbish goes."

4) Help save their planet, use energy saving bulbs

"Energy saving bulbs use one fifth of the energy of ordinary bulbs."

5) Help save their planet, recycle all you can

"If animals can recycle, so can we."

6) Help save their planet, don't waste energy

"Definitely not a couple of bright sparks."

7) Help save their planet, insulate your home

"Is your heating turned up too high?"

8) Help save their planet, turn off what you don't use

"What we leave on standby not only produces greenhouse gases but can also keep some of us awake at night."

9) Help save their planet, avoid using plastic bags

"We can all bring our own bags when we go shopping."

10) Help save their planet, use recycle bin

"Don't you just hate it when someone else's rubbish ruins your lunch break?"

11) Help save their planet, cut your emissions

"I think we can all agree, cycling produces no emissions and it's good for you."
